

Meet the local producers...

The Cotswold Farmer - Gill Graham has gone from WI favourite to local favourite with her range of sausages, bacon and pies. Made using meat from home-reared pigs at her Moreton-in-Marsh farm, her food is all about the ingredients and the cooking. The Farmhouse Gold sausages are rather legendary!

Woodland Farm Yoghurts - Handmade by '2 guys and 120 milking cows', these clean-tasting yogurts from Chedworth are really rather special. The Finch family has been farming in the Cotswolds for four generations but only started yogurt production in 1990, selling a few pots on their milk rounds. Today they make over 30,000 pots a month!

North Cotswold Brewery - Established in 1999, this family-run brewery located on the Fosseway only a few miles outside Moreton-in-Marsh, produces award-winning craft ales for customers in the Cotswolds and surrounding areas who like their beer the traditional way, using only the finest natural ingredients and a variety of English hops.

Fresh thinking

Discover our unique approach to freshly baked bread

Freshly baked bread is one of life's great pleasures and we make sure we get it right at Warner's Budgens. That's why we teamed up with local artisan baker, **Thierry Paulin** of **La Parisienne**, who delivers fresh bread and morning

goods to the store every day, straight from the oven.

Thierry's bread contains just a few simple ingredients but is of the highest quality – no artificial additives or extra fats added here! There is a great choice and each loaf is baked overnight to develop a deep, complex flavour and irresistible crustiness. Here are some of our favourites:

Granary Bloomer: a deep, crusty loaf made with white flour with added malted wheat flakes

La Boule Paysanne: a crusty wheat and rye loaf showered in delicious seeds

Sourdough: a stone-ground wholemeal flour loaf raised naturally with wild sourdough.

Care for the community

Since its launch, Warner's Budgens customers have raised over £25,000 for local projects through our Community Savings Scheme

It's been five years since we launched our Community Savings Scheme and in that time we have donated over £25,000 to local projects. The scheme works thanks to the support of customers who shop at Warner's Budgens here in Winchcombe; for every £10 spent in store, customers receive a Community Savings Token which we convert to cash and donate to their chosen charity.

Since we opened in April, customers have been raising money for **Winchcombe Medical Centre** and **Winchcombe Scouts**. We were very pleased to present a cheque for £356.10 to the Patient Participation Group from the Medical Centre which will be used to provide children's toys and books for the waiting area. Winchcombe Scouts also received a cheque for £301.56.

During the second half of the year we will be supporting **WAM Youth** and **Winchcombe Cricket Club**.

Choose your charity!

Early next year we will be looking to appoint two new local charities as the beneficiaries of our Community Savings Scheme and we need your help! We are asking Warner's Budgens customers to nominate local charities or projects that would benefit from funding through the scheme. From the list of nominations, customers will then vote for the charity they want to see supported over the next six months. Please email info@warnersretail.co.uk with your nomination and we will be in touch!

Issue 13, Autumn 2016

As the summer comes to a close, I am struck by how lucky we are to live and work in such a special place as Winchcombe. We haven't been here long, but I know we have landed in the middle of a fantastic community where there is so much going on, all organised by individuals who simply love this town and want it to thrive. We have had some incredible events this summer with the Festival of Music and Arts and Winchcombe Show to name but two. As we move into the winter months, we are looking forward to experiencing the Christmas Advent Festival in December. It's always a pleasure for Warner's Budgens to get behind events like these, whether that's providing marquees, food and drink or good old fashioned people power. We do it because we love being part of the town and I'd like to thank all those involved, especially those unsung heroes working quietly and tirelessly behind the scenes, for coming together to make Winchcombe what it is!

MONEY OFF LOCAL PRODUCTS!

OUR YEAR IN PICTURES

From sponsoring local clubs to supporting local projects and schools through our Community Savings Scheme, we love being an active part of the Winchcombe community. Here are some of our favourite moments...

We love offering customers tastings when they visit the store and it's even better when the producer comes along themselves to share their passion and enthusiasm for their products. Cotswold Butter had a great visit to the store recently.

We presented the first cheque from our Community Savings Scheme to Winchcombe Scouts. Leader Jim Maher accepted the cheque on behalf of the troop.

Warner's Budgens were pleased to donate a trolley dash to an auction of promises held by Winchcombe based charity WAM Youth. The winner was James Pickersgill who managed to cram his trolley full of goodies in his 90 second dash!

Jan Knightley from the Patient Participation Group at Winchcombe Medical Centre accepts a cheque from our Community Savings Scheme.

We were proud to be the main sponsor of the Winchcombe Country Show in our first year in the town, the Dog and Duck Show was extremely popular and a great attraction!

We were really pleased to be the main sponsor of the Winchcombe Festival of Music and Arts earlier in the year and enjoyed being part of the street fair!

We invited children from Winchcombe Abbey Primary School to design a cake for our opening day back in April. It was too hard to choose one winner, so we had three – here they are with their cakes!

It was fantastic to see so many people on our opening day in April! We had an incredibly busy day, and the store has continued to exceed all our expectations. Thank you for choosing to shop with us!

Local charity, Read Easy UK received a visit from Lord Digby Jones recently when he hosted a local fund-raising lunch for the charity, Warner's Budgens were pleased to be one of the sponsors.

The sun shone for our first Winchcombe Country Show on August Bank Holiday and we had a great day offering visitors samples of locally produced food and drink available at our store.

We were delighted that one of our local producers, Godells Cheese from Leonard Stanley, won the Cheese of the Year Award at the Cotswold Life Food and Drink Awards which we were pleased to sponsor for the ninth consecutive year.
