

Meet the local producers...

The Cotswold Farmer - Gill Graham has gone from WI favourite to local favourite with her range of sausages, bacon and pies. Made using meat from home-reared pigs at her Moreton-in-Marsh farm, her food is all about the ingredients and the cooking. The Farmhouse Gold sausages are rather legendary!

Woodland Farm Yoghurts - Handmade by '2 guys and 120 milking cows', these clean-tasting yogurts from Chedworth are really rather special. The Finch family has been farming in the Cotswolds for four generations but only started yogurt production in 1990, selling a few pots on their milk rounds. Today they make over 30,000 pots a month!

North Cotswold Brewery - Established in 1999, this family-run brewery located on the Fosseyway only a few miles outside Moreton-in-Marsh, produces award-winning craft ales for customers in the Cotswolds and surrounding areas who like their beer the traditional way, using only the finest natural ingredients and a variety of English hops.

warner's
Budgens

Fresh thinking

Discover our unique approach to freshly baked bread

Freshly baked bread is one of life's great pleasures and we make sure we get it right at Warner's Budgens. That's why we teamed up with local artisan baker, **Thierry Paulin** of **La Parisienne**, who delivers fresh bread and morning

goods to the store every day, straight from the oven.

Thierry's bread contains just a few simple ingredients but is of the highest quality – no artificial additives or extra fats added here! There is a great choice and each loaf is baked overnight to develop a deep, complex flavour and irresistible crustiness. Here are some of our favourites:

Granary Bloomer: a deep, crusty loaf made with white flour with added malted wheat flakes

La Boule Paysanne: a crusty wheat and rye loaf showered in delicious seeds

Sourdough: a stone-ground wholemeal flour loaf raised naturally with wild sourdough.

Care for the community

Since its launch, Warner's Budgens customers have raised over £25,000 for local projects through our Community Savings Scheme

It's been five years since we launched our Community Savings Scheme and in that time we have donated over £25,000 to local projects. The scheme works thanks to the support of customers who shop at Warner's Budgens here in Moreton; for every £10 spent in store, customers receive a Community Savings Token which we convert to cash and donate to their chosen charity. Every six months, new projects and charities are nominated by Warner's Budgens customers.

Since February, customers here in Moreton have been raising money for **Moreton Brownies** and **St David's C of E Primary School**. The Brownies received a cheque for £453.13 and £507.18 was presented to St David's School which will go towards new outside play equipment.

Longborough Primary School and **Campden Area Home Nursing** will be the recipients of the Scheme in the second part of the year.

Happy 1st Birthday!

Soho Coffee Co. celebrated its first birthday with a day of half price hot drinks and free birthday cake recently!

Customers were treated to a slice of cake made by local cake-maker **Silke Bruening** from **Cacao Bean** and took advantage of half price coffee all day! We can't believe it's already a year since Soho opened for business in our store, it is difficult to remember a time without it!

Issue 13, Autumn 2016

Every year as the summer comes to a close, I am struck by how lucky we are to live and work in such a special place as Moreton-in-Marsh. With its vibrant community, all pulling together for the good of the town, Moreton really does achieve great things. We have so many incredible events littered throughout the year, all organised by individuals who love this town and want it to thrive, culminating, of course, in the spectacular Moreton Show. It's always a pleasure for Warner's Budgens to get behind these events and our presence at Moreton Show's Country Larder Food Hall is one we look forward to each year. We do it because we genuinely love being part of the village and I'd like to thank all those involved, especially the unsung heroes working quietly and tirelessly behind the scenes, for coming together to make Moreton what it is!

MONEY OFF LOCAL PRODUCTS!

OUR YEAR IN PICTURES

From sponsoring local clubs to supporting local projects and schools through our Community Savings Scheme, we love being an active part of the Moreton community. Here are some of our favourite moments...

Moreton Youth Club benefitted from our Community Savings Scheme, Councillor Michael Lucas received the cheque on their behalf.

Winner of the Warner's Budgens Clubman award at Moreton Rangers was Louisa Muckle for her massive efforts in fundraising for the Club meaning they could purchase flood-lights for training in the winter.

St David's School took part in our week-long project all about bread and had a great visit to our bakery where they learnt how to make croissants - they even got to take some home!

We are proud to continue our sponsorship of Moreton Rangers Youth Football Team for the fifth consecutive year. Store Manager, Jerry was pleased to present end of season awards to all the players.

Children from St David's Primary School were excited to receive a cheque for over £500 from our Community Savings Scheme. The money will go towards the update of outside play equipment at the school.

Once again, we were very proud to sponsor the local food tents at the Moreton Show and host our very own food demonstration area. We welcomed several local chefs and producers who, despite the rain, had a great audience to watch them.

We are really pleased to continue with our sponsorship of the St David's School breakfast club. Guy had a great time visiting the children and eating breakfast with them!

Laptops are a huge expense to a small school like Blockley Primary. We were pleased to help purchase two new laptops this year. Guy enjoyed meeting some of the children who benefit from them.

One of the charities that we supported through our Community Savings Scheme was HFT who used the money to create their own sensory garden at their residential homes in Moreton-in-Marsh.

Our new store in Winchcombe opened in April this year, and we were pleased to invite competition winners from the local primary school to officially open the store along with Town Council Chairman Jim Mason.

Local charity, Read Easy UK received a visit from Lord Digby-Jones when he hosted a fund-raising lunch at Moreton Fire College. Warner's Budgens were pleased to be one of the sponsors.

We were delighted that one of our local producers, Godsells Cheese from Leonard Stanley, won the Cheese of the Year Award at the Cotswold Life Food and Drink Awards which we were pleased to sponsor again for the ninth consecutive year.
