

Meet the local producers...

The Cotswold Farmer - Gill Graham has gone from WI favourite to local favourite with her range of sausages, bacon and pies. Made using meat from home-reared pigs at her Moreton-in-Marsh farm, her food is all about the ingredients and the cooking. The Farmhouse Gold sausages are rather legendary!

Woodland Farm Yoghurts - Handmade by '2 guys and 120 milking cows', these clean-tasting yogurts from Chedworth are really rather special. The Finch family has been farming in the Cotswolds for four generations but only started yogurt production in 1990, selling a few pots on their milk rounds. Today they make over 30,000 pots a month!

North Cotswold Brewery - Established in 1999, this family-run brewery located on the Fosseway only a few miles outside Moreton-in-Marsh, produces award-winning craft ales for customers in the Cotswolds and surrounding areas who like their beer the traditional way, using only the finest natural ingredients and a variety of English hops.

warner's Budgens

Fresh thinking

Discover our unique approach to freshly baked bread
 Freshly baked bread is one of life's great pleasures and we make sure we get it right at Warner's Budgens. That's why we teamed up with local artisan baker, **Thierry Paulin** of **La Parisienne**, who delivers fresh bread and morning

goods to the store every day, straight from the oven.

Thierry's bread contains just a few simple ingredients but is of the highest quality – no artificial additives or extra fats added here! There is a great choice and each loaf is baked overnight to develop a deep, complex flavour and irresistible crustiness. Here are some of our favourites:

Granary Bloomer: a deep, crusty loaf made with white flour with added malted wheat flakes

La Boule Paysanne: a crusty wheat and rye loaf showered in delicious seeds

Sourdough: a stone-ground wholemeal flour loaf raised naturally with wild sourdough.

Care for the community

Since its launch, Warner's Budgens customers have raised over £25,000 for local projects through our Community Savings Scheme

It's been five years since we launched our Community Savings Scheme and in that time we have donated over £25,000 to local projects. The scheme works thanks to the support of customers who shop at Warner's Budgens here in Broadway; for every £10 spent in store, customers receive a Community Savings Token which we convert to cash and donate to their chosen charity. Every six months, new projects and charities are nominated by Warner's Budgens customers.

Since January, customers have been raising money for the **Broadway**

Community Library and helping fund a new **defibrillator** for the village. We have raised £301.15 for the library which brings the total donated to it to over £1200! We are well on the way to jointly purchasing a second defibrillator for the village in conjunction with Broadway Parish Council. The first one was purchased by us and the Parish Council and is located at our store. During the second part of the year, we will continue to raise money for the new defibrillator and be supporting **Broadway First School** through the scheme.

A gourmet gathering

Local suppliers showcase their goods at Broadway Food Festival

It was lovely to see so many of our local suppliers showcasing their products at the Broadway Food Festival on the village green in September. With cooking demonstrations, tastings and food to go it was a great opportunity for the public to discover the quality and diversity of food and drink being produced right here on our doorstep. Do come and discover these and even more local suppliers in our store! What we would like to know is if the Cotswold Butter cow has been officially named yet??

Every year as the summer comes to a close, I am struck by how lucky we are to live and work in such a special place as Broadway. With its vibrant community, all pulling together for the good of the village, Broadway really does achieve great things. We have so many incredible events littered throughout the year, from the Food Festival, to the Arts Festival to the Christmas Shopping Nights, all organised by individuals who love this village and want it to thrive. It's always a pleasure for Warner's Budgens to get behind these events, whether that's providing marquees, food and drink or good old fashioned people power. We do it because we genuinely love being part of the village and I'd like to thank all those involved, especially the unsung heroes working quietly and tirelessly behind the scenes, for coming together to make Broadway what it is!

MONEY OFF LOCAL PRODUCTS!

OUR YEAR IN PICTURES

From sponsoring local clubs to supporting local projects and schools through our Community Savings Scheme, we love being an active part of the Broadway community. Here are some of our favourite moments...

Presenting Broadway Community Library with a cheque from our Community Savings Scheme earlier this year.

After taking part in our week-long bread project, Mia and Freya sold their creations at the store, with the proceeds going back to the school.

We love offering customers tastings when they visit the store and it's even better when the producer comes along themselves to share their passion and enthusiasm for their products. Cotswold Butter had a great visit to the store recently.

Warner's Budgens are delighted to be the sponsor of the Under 14s at Broadway United Football Club. Here is the team in their new kit which we donated.

Warner's Budgens celebrated being in Broadway for 10 years with birthday cake, prosecco and 10% off for customers! Thank you for your custom over the past decade!

St Marys Primary School took part in our week-long project all about bread and had a great trip to our bakery where they learnt how to make croissants – they even got to take some home!

Our new store in Winchcombe opened in April this year and we were very pleased to invite competition winners from the local primary school to officially open the store along with Town Council Chairman Jim Mason.

We are proud to continue with our sponsorship of Willersey Primary School's breakfast club for a third consecutive year. We donate all of the food and drink on a weekly basis.

We are well on our way to being able to purchase a second defibrillator for the village. The first one, jointly funded by Broadway Parish Council and Warner's Budgens is located at our store.

Once again, we were very proud to sponsor the local foods tents at the Moreton Show and host our very own food demonstration area. We welcomed several local chefs and producers who, despite the rain, had a great audience to watch them.

Local charity, Read Easy UK received a visit from Lord Digby-Jones when he hosted a local fundraising lunch which Warner's Budgens were pleased to sponsor.

We were delighted that one of our local producers, Godsells Cheese from Leonard Stanley, won the Cheese of the Year Award at the Cotswold Life Food and Drink Awards which we were pleased to sponsor again for the ninth consecutive year.

We have recently been involved in fundraising for a new village hall in Honeybourne – here is the cheque being presented to some of the team.

What a fantastic day out at Broadway Food Festival – chef demonstrations, plenty of food and drink to taste and even vintage cars!
