

Meet the local producers...

The Cotswold Farmer - Gill Graham has gone from WI favourite to local favourite with her range of sausages, bacon and pies. Made using meat from home-reared pigs at her Moreton-in-Marsh farm, her food is all about the ingredients and the cooking. The Farmhouse Gold sausages are rather legendary!

Woodland Farm Yoghurts - Handmade by '2 guys and 120 milking cows', these clean-tasting yogurts from Chedworth are really rather special. The Finch family has been farming in the Cotswolds for four generations but only started yogurt production in 1990, selling a few pots on their milk rounds. Today they make over 30,000 pots a month!

North Cotswold Brewery - Established in 1999, this family-run brewery located on the Fosseway only a few miles outside Moreton-in-Marsh, produces award-winning craft ales for customers in the Cotswolds and surrounding areas who like their beer the traditional way, using only the finest natural ingredients and a variety of English hops.

warner's
Budgens

Fresh thinking

Discover our unique approach to freshly baked bread

Freshly baked bread is one of life's great pleasures and we make sure we get it right at Warner's Budgens. That's why we teamed up with local artisan baker, **Thierry Paulin** of **La Parisienne**, who delivers fresh bread and morning

goods to the store every day, straight from the oven.

Thierry's bread contains just a few simple ingredients but is of the highest quality – no artificial additives or extra fats added here! There is a great choice and each loaf is baked overnight to develop a deep, complex flavour and irresistible crustiness. Here are some of our favourites:

Granary Bloomer: a deep, crusty loaf made with white flour with added malted wheat flakes

La Boule Paysanne: a crusty wheat and rye loaf showered in delicious seeds

Sourdough: a stone-ground wholemeal flour loaf raised naturally with wild sourdough.

Care for the community

Since its launch, Warner's Budgens customers have raised over £25,000 for local projects through our Community Savings Scheme

It's been five years since we launched our Community Savings Scheme and in that time we have donated over £25,000 to local projects. The scheme works thanks to the support of customers who shop at Warner's Budgens here in Bidford; for every £10 spent in store, customers receive a Community Savings Token which we convert to cash and donate to their chosen charity. Every six months, new projects and charities are nominated by Warner's Budgens customers.

Since February, customers here in Bidford have been raising money for the **Bidford Community Library** and **Honeybourne Community Centre**. We are proud to have supported Bidford Library since it became a community library back in 2012 and in total, so far, we have raised a massive £4566.56. We recently presented a cheque for £416.90 in Honeybourne which will go towards

their new community centre.

We are continuing with our support of the library in the second half of the year and have also started raising money for **Bidford Brownies** through the Scheme.

Choose your charity!

Early next year we will be looking to appoint new local charities as the beneficiaries of our Community Savings Scheme and we need your help! We are asking Warner's Budgens customers to nominate local charities or projects that would benefit from funding through the scheme. From the list of nominations, customers will then vote for the charity they want to see supported over the next six months. Please email info@warnersretail.co.uk with your nomination and we will be in touch!

Issue 13, Autumn 2016

Every year as the summer comes to a close, I am struck by how lucky we are to live and work in such a special place as Bidford-on-Avon. With its vibrant community, all pulling together for the good of the village, Bidford really does achieve great things. We have had so many incredible events littered throughout the year, from the Queen's Birthday Party to the Annual Vintage Gathering to the Bidford Bash, all organised by individuals who love this village and want it to thrive. It's always a pleasure for Warner's Budgens to get behind these events, whether that's providing marquees, food and drink or good old fashioned people power. We do it because we genuinely love being part of the village and I'd like to thank all those involved, especially those unsung heroes working quietly and tirelessly behind the scenes, for coming together to make Bidford what it is!

MONEY OFF LOCAL PRODUCTS!

OUR YEAR IN PICTURES

From sponsoring local clubs to supporting local projects and schools through our Community Savings Scheme, we love being an active part of the Bidford community. Here are some of our favourite moments...

The children from Bidford Primary School learning how to make bread at our bakery as part of our week-long bread project.

Bidford Primary School took part in our week-long project all about bread and had a great trip to our bakery where they learnt how to make croissants and pain au chocolat – they even got to take some home!

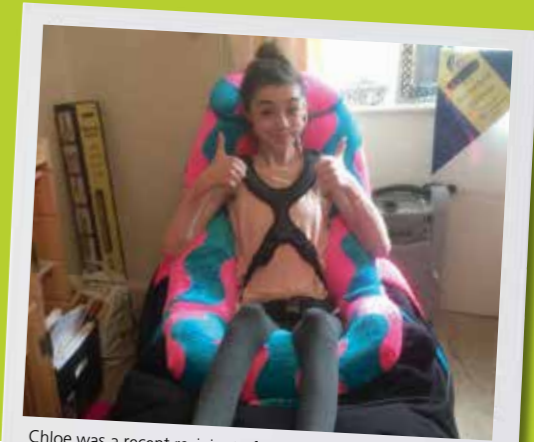

We are proud to continue our sponsorship of Bidford Juniors Football Club and their annual tournament. Store Manager Mike Toth enjoyed watching some of the games and then presented the winners with their trophies.

Goslings
TODDLER CLUB

For the past 7 years we have been donating fresh fruit on a weekly basis to local toddler group The Goslings who meet at the Crawford Memorial Hall.

Chloe was a recent recipient of our Community Savings Scheme and we are pleased have raised £417.89 to help her build her independence whilst living with a debilitating illness.

One of the charities that we supported through our Community Savings Scheme was Harvington Youth Project who used the money to buy furniture for their drop-in café for local children.

Bidford Community Library continues to benefit from our Community Savings Scheme. Some of the directors and volunteers were pleased to receive the most recent cheque.

Local charity, Read Easy UK received a visit from one of our famous local residents Lord Digby Jones recently when he hosted a fund-raising lunch for the charity, which Warner's Budgens were pleased to sponsor.

Our new store in Winchcombe opened in April this year, and we were very pleased to invite competition winners from the local primary school to officially open the store alongwith Town Council Chairman Jim Mason.

Once again, we were very proud to sponsor the local food tents at the Moreton Show and host our very own food demonstration area. We welcomed several local chefs and producers who, despite the rain, had a great audience to watch them.

We were delighted that one of our local producers, Godsell's Cheese from Leonard Stanley, won the Cheese of the Year Award at the Cotswold Life Food and Drink Awards which we were pleased to sponsor again for the ninth consecutive year.
